

# Insect Research Organizer

Use this page to organize your insect research. Use as many different resource and reference books as possible to collect information for each topic listed below. Write the facts you collect in note form, not in complete sentences. Create a bibliography on the back of this page of each resource used in your research. Be sure to include the *title, author's name, and page number(s)*.

<p style="text-align: center;"><b>Name and Species of Insect</b></p> <p>What is the insect's scientific name and common name? What is its species?</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p style="text-align: center;"><b>Habitat</b></p> <p>Where does the insect live?
